ARMARE ROPES LISTINO PREZZI NAUTICA - 2025

PREZZI CONSIGLIATI AL PUBBLICO IVA ESCLUSA

Condizioni generali di vendita

PREZZI DI LISTINO
La validità del presente listino prezzi è indicata in copertina. Armare si riserva la possibilità di modificare i prezzi senza alcun preavviso. Per quanto sia stata posta la massima cura nella stesura del presente listino, Armare non esclude vi possano essere degli errori nei dati indicati. Essi quindi non costituiscono vincolo per Armare o contratto d'acquisto.
I prezzi indicati sono in Euro e da considerarsi al netto di IVA di legge (+ IVA).

CONDIZIONI DI PAGAMENTO
In caso di ritardo nel pagamento rispetto alle condizioni concordate, saranno applicati gli interessi legali ed addebitate tutte le spese sostenute per l'incasso.

SPEDIZIONI
Tutte le spedizioni si intendono rese "Franco stabilimento di San Giorgio di Nogaro (Ud)".
La merce viaggia a rischio e pericolo del "Destinatario". Armare è altresì libera da ogni responsabilità per perdite o avarie della merce dal momento in cui essa viene consegnata al vettore.
Pertanto il Cliente ha azione diretta ed esclusiva nei confronti del vettore, nel caso di ritardi nella consegna o ricezione di merce danneggiata.

TERMINI DI CONSEGNA
I termini di consegna stimati nella conferma d'ordine sono indicativi, e vanno intesi come giorni lavorativi. Essi decorrono dalla data in cui si verificano le seguenti condizioni:
1) emissione della conferma d'ordine da parte di Armare;
2) rinvio della conferma d'ordine timbrata e firmata da parte del Cliente per accettazione;
3) ricezione dell'acconto o del saldo dell'ordine, in caso di concordato pagamento anticipato.

RECLAMI SU SPEDIZIONI
Il cliente si impegna ad effettuare il controllo dei prodotti ed accertarsi della loro conformità. Eventuali vizi dovranno essere comunicati ad Armare per iscritto, entro e non oltre tre giorni dal ricevimento della merce.

RESI MERCE
Qualsiasi reso dovrà essere preventivamente comunicato e concordato con Armare.
Le restituzioni non concordate verranno respinte. Nessun accredito sarà concesso per materiale reso già usato o rovinato. Le spese di trasporto per la merce resa saranno sempre a carico del Cliente.

QUOTAZIONI SU RICHIESTA
I prezzi di alcuni articoli non appaiono nel presente listino e vengono quotati esclusivamente su richiesta.

ASSISTENZA
Armare è a completa disposizione per qualsiasi informazione o necessità dei clienti.

LEGGE APPLICABILE
Gli accordi commerciali di acquisto sono soggetti esclusivamente alla giurisdizione italiana.

Nota sulle scontistiche

DISCOUNT

Accanto ai prodotti si trova un simbolo rosso con una o più lettere:
ad ogni lettera corrisponde una percentuale di sconto.

PERCENTUALI DI SCONTO

- **Z** = Cima per rotolo intero; Dyneema® Light Shackle; Covered Light Shackle; Unidir 99 Loop; Miniroll Display
- **Y** = Spezzone (quantità inferiore a 100 metri)
- **W** = Kit One Design; Shop Rack
- **V** = Lash Bobbin; Big Bobbin; T-Bone; Coating; Zero Twist Cable; Dyneema® Light Shackle; Covered Light Shackle; Unidir 99 Loop
- **T** = Aghi, Kit riparazione vele; Strumenti per impiombatura; Forbici; Reti in Dyneema® / Poliestere
- **B** = Palline ferma-cima

Nota sui carichi di rottura e diametri

I valori medi indicati sono ricavati dai test del laboratorio Armare su cime nuove, adeguatamente impiombate e possono essere variati senza alcun preavviso.
Sono disponibili altri diametri su richiesta.
Il carico statico della cima non deve superare il 20% del carico di rottura indicato in tabella.
Il nodo pregiudica il carico di rottura con riduzione fino al 60%.
L'impiombatura aumenta il diametro di circa 1,5 volte.
L'esposizione agli agenti atmosferici determina riduzioni del carico di rottura delle cime, a seconda dell'intensità e durata della stessa e anche in base alla composizione e costruzione del prodotto.

ARMARE ROPES MARINE AND YACHTING PRICE LIST - 2025

RECOMMENDED RETAIL PRICE LIST (VAT EXCLUDED)

armare ropes

Terms and conditions of sale

PRICES
The validity of the present Price List is indicated on the cover.
Armare keeps the right to increase prices without prior notice.
All prices are in Euro and exclusive of Value Added Tax (VAT).
Although Armare has taken the maximum care in the edition of this Price List, some mistakes may have occurred. Therefore, prices do not constitute a commitment or a sales contract.

TERMS OF PAYMENT
Late payments as regard as the agreed conditions, entitle Armare to charge legal interests and all expenses incurred in the credit collection.

DELIVERY
All shipments are made "Ex works San Giorgio di Nogaro (UD)".
Armare does not insure goods during the journey to destination and is also free from any liability for loss or damage of the goods, from the time the order is handed to the carrier.
Therefore, in case of delays in delivery or receipt of damaged goods, the customer has to contact directly the carrier.

DELIVERY TERMS
The delivery terms estimate in the order confirmation are approximate, and should be considered as working days. They are calculate from the date of the following conditions are fulfilled:
1) Issue of the order confirmation by Armare;
2) The customer has to send the order confirmation stamped and signed for acceptance to Armare;
3) Payment by the client of the account or the balance of the total amount of the order, in case of agreement of advance payment.

COMPLAINTS
It is customer's responsibility to check the products upon delivery, in order to verify their condition and completeness. Claims for any damage or shortage must be notified written by e-mail or FAX to Armare, with in three days from receipt of the goods.

RETURN OF GOODS
Returns of purchased goods will only be accepted with the prior written permission of Armare.
No credit will be allowed for used or damaged goods. Any return will be at the expense of the buyer.

QUOTATIONS ON DEMAND
The prices of some articles, which are not indicated on this price list, will be quoted only on demand.

ASSISTANCE
Armare is always available for any information or customers' need.

GOVERNING LAW
The purchase agreements are governed exclusively by Italian low.

Discount annotations

On each page you will find a symbol with one or more letters:
Each letter corresponds to a percentage of discount.

DISCOUNT PERCENTAGE

Z = Complete roll of rope; Dyneema® Light Shackle; Covered Light Shackle; Unidir 99 Loop; Miniroll Display
Y = Cut length (less than 100 meters)
W = Kit One Design; Shop Rack
V = Lash Bobbin; Big Bobbin; T-Bone; Coating; Zero Twist Cable; Dyneema® Light Shackle; Covered Light Shackle; Unidir 99 Loop
T = Needles, Sail Repair Kit; Splicing tools; Scissors; Dyneema® and Polyester nets
B = Tie and Halyard plastic balls

About breaking loads and diameters

The average values shown above are derived from tests taken at Armare laboratory, on properly spliced new ropes, and may change without notice.
Other diameters available on request.
The static load of the rope must not exceed 20% of Breaking Load shown in the table.
Knots may affect the Breaking Load of the rope with reductions of up to 60%.
The splicing increases the diameter of the rope of about 1.5 times.
The use and exposure to weather conditions, depending from the kind of rope and the time of esposure, can reduce the breaking loads of the ropes.
