Cowes

Versatile unisex waterproof and breathable trainer

3716 | EU 35 - 49

- Our versatile Unisex Aquatech shoes are designed with open-mesh ventilation for improved breathability and flexibility, while the strategically placed TPU overlays offer protection against deck hardware
- Sporty bi-compound sole unit featuring a lightweight, premium EVA midsole that offers comfort, flexibility, and shock absorption. This is paired with our custom-designed rubber NonSlip-NonMarking™ outsole equipped with a unique water dispersion channel system to prevent aquaplaning while delivering exceptional traction and durability in both wet and dry conditions.
- A completely waterproof lining keep your feet dry throughout the day, no matter the weather.
- A synthetic mesh and TPU upper featuring an anti-odour, anti-microbial treatment that is both quick-drying and breathable.
- Classic lace-up design for a secure and personalized fit
- The shoe features a removable cushioned insole designed to provide superior comfort by offering soft padding beneath the foot. This insole can be easily taken out for cleaning or replacement
- Dubarry's distinctive finger pull tape features the signature port and starboard flash detail
- Subtle Dubarry Aquatech branding

Crosshaven

High performance, thermally insulated gaiter sailing boot

3963 | EU 38 - 48

- Upper consists of a uniquely designed leather vamp and counter with minimal seams to reduce wear in the critical areas
- Reinforced toe and heel parts using the D-Chassis™ system; a moulded RPU frame that minimizes heel pronation by adding extra support protection and control
- Gaiter section of the boot is made with a lightweight high abrasion water repellent fabric with an adjustable draw-cord collar that secures foul weather gear and prevents wash back
- Gaiter section also houses a drainage mesh at the bottom of the leg for optimal water release
- Signature Dubarry double bands are applied to the gaiter using a high reflective fabric for maximum visibility
- Exterior branding on the gaiter is a canvas label with embroidery to tie into Dubarry's heritage collection
- Inner leg of the boot is constructed with Cordura® and Dubarry DryFast-DrySoft™ leathers
- The lining is a GORE-TEX 350g Duratherm high insulated membrane together with a thermally lined insole, providing the boot with full insulation
- Leather finger pulls to assist in pulling on the boot
- Dubarry award-winning NonSlip-NonMarking™ durable PU/rubber injection moulded outsole

Aquatech POS

We have a wide selection of POS digital and in-store material that can be ordered to support the Aquatech range, including

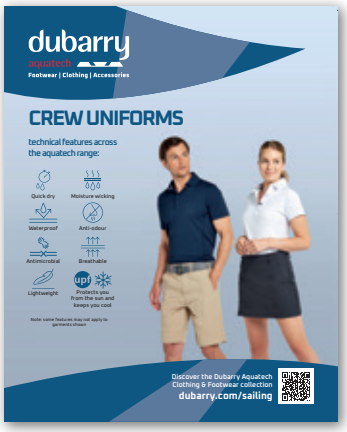

- Beach flag
- Roll up banner
- Forex Headercards with Dubarry Aquatech logo
- Ceiling headerboards with Dubarry Aquatech logo
- Retail display
- 3D videos of the Aquatech footwear and technical clothing
- Footwear Splash photography for web and advertisements
- Webbanner package

Advertisements can be designed as required: clothing, footwear and combo. Posters in sizes 35x25cm and 70x50cm.

Make the **Aquatech Collection** part of your crew with embroidery and printing

Give your crew, team or workforce a confidence-boosting professional advantage with Dubarry's stylish and supremely comfortable Aquatech clothing, personalised with your own logo and lettering. Eminently suitable for crew kit and branded uniforms for business teams, all Dubarry Aquatech garments are extensively tested for heat-treated printing and logo stitching. Colour fast, durable and engineered for active use, the quality is a cut above the competition.

Our Aquatech Collection includes a wide range of versatile smart-casual jackets, fleeces, polos and shorts in classic women's, men's and unisex styles, with footwear and accessories to complement and complete the look. Dubarry gives you full control by supplying blank garments that your trusted local embroiderer or printer can finish to your own exact specifications.
