NEW PRODUCT

3900 | EU 40 - 47

The seven-eye tie men's leather trainer, the perfect choice for everyday wear.

- The rubber cup sole unit features a built-in PU fill that enhances the shoe's structure, offering superior support and cushioning. This thoughtful design ensures lasting comfort throughout the day, making it ideal for all-day wear. The combination of materials not only adds durability but also provides a more responsive feel with each step, ensuring both comfort and stability in various conditions
- Made from high-quality genuine leather with a stylish suede trim, this design is enhanced with a water-resistant finish that ensures both durability and protection. The DryFast-DrySoft™ technology allows the material to quickly dry while maintaining a soft, comfortable feel, making it perfect for all-weather conditions
- A full-length removable cushioned footbed for maximum underfoot comfort, providing optimal support
- Non-corrosive metal eyelets paired with a sleek flat fabric lace, combining durability with a stylish and modern aesthetic
- Two colour options of the lace are included in the box
- Distinctive port and starboard flash detailing, adding a unique and recognisable touch
- Permanent style information, including the style name, number, and country of origin, is hot-embossed onto each style for lasting identification

WATERPROOF + BREATHABLE

Our men's all-weather, all-terrain waterproof trainer offers the perfect balance of comfort, style, durability, and performance. Crafted for daily use, it's the ideal companion for all your activities.

- The rubber outsole features a distinctive tread pattern that provides outstanding stability on slippery surfaces, keeping you safe during your adventures. It also reduces the build-up of mud and gravel, enhancing comfort

The EVA foam midsole offers a lightweight, high-performance compound that ensures flexibility, superior shock absorption, and all-day comfort

- A fully waterproof lining and water-repellent, easy-to-clean upper fabric ensure your feet stay dry all day, regardless of the weather
- Exceptional durability, featuring a TPU overlay in high-wear areas for added strength
- Classic lace-up design for a secure and personalised fit
- The shoe comes with a removable cushioned footbed, designed to deliver enhanced comfort by providing a soft, supportive surface for your feet. It can be easily removed for cleaning or replacement
- Dubarry's unique finger pull tape incorporates the distinctive port and starboard flash detail
- The distinctive finger pull tape features contrast-coloured accents that make it stand out
